RENO SPARKS POP WARNER seeks to develop well-rounded young men and woman who learn not only the fundamentals of football and cheerleading, but also the importance of education in an atmosphere conducive to developing sound mind, body and character – and having a good time along the way. The general objections of RENO SPARKS POP WARNER are to inspire youths, regardless of race, creed or national origin, and to practice the ideas of sportsmanship and physical fitness. RENO SPARKS POP WARNER strives to make the game “fun” for all boys and girls. Coaches must consistently keep in mind the ages of the participants. The program stresses learning lessons of value far beyond the playing or cheering days of the boys and girls involved, such as self-discipline, teamwork, concentration, friendship, leadership and good sportsmanship.

With the above goals and philosophies in mind, it is imperative to realize that we as men and woman volunteers in a youth program have many responsibilities. We of Sagebrush Empire Pop Warner Football feel that all coaches and assistants need to understand the obligations and responsibilities that we, as coaches, must agree to meet.
